

Materials for the New Millennium

UK - Singapore Materials Workshop

Venue : The Matrix @ Biopolis
Dates : 12 – 13 September 2005

Keynote Speakers:

- **Professor John Wood**
Chief Executive, Rutherford Appleton Laboratory
- **Professor Graham Davies**
Head, School of Engineering, Birmingham University
- **Dr Bernie Rickinson**
Chief Executive, The Institute of Materials, Mineral & Mining
- **Dr Clive Hayter**
Materials Program Manager, EPSRC
- **Professor Ang How Ghee**
Director, Energetic Materials Research Centre
- **Professor Freddy Boey Yin Chiang**
Dean, School of Materials Science & Engineering, NTU
- **Professor Chow Gan Moog**
HOD, Dept. of Materials Science & Engineering, NUS
- **Dr Lim Khiang Wee**
Deputy Executive Director, SERC, A*STAR

Email: uksgmat2005@ntu.edu.sg

Advanced Materials Workshop:

- **Functional Materials**
- **Materials for Clean Energy Systems**
- **Materials for Next Generation of Electronics**
- **Materials Modelling**
- **Challenges in Materials Characterization**
- **Biomaterials & Materials in Medicine**
- **Nanomaterials**

Institute Of Material: Cash Prize Award :
(East Asia)
Poster Competition

1st Prize	S\$300
2nd Prize	S\$150
3rd Prize	S\$100

Jointly Organized by:

Supported by:

Monday 12 September 2005

- 08.30 Registration
- 09.00 Arrival of Guests of Honor
- 09.10 Welcome by Organizers
- 09.30 Address by GOH-1 (SG)
- 09.45 Address by GOH-2 (UK)
- 10.00 Morning Tea Break
- 10.20 Keynote Address by Prof. John Wood
- 11.00 Keynote Address by Prof. Freddy Boey
- 11.40 Keynote Address by Dr. Lim Khiang Wee
- 12.20 Keynote Address by Prof. Ang How Ghee
- 13.00 Lunch Break
- 14.00 Workshops: • Functional Materials
- Materials for Clean Energy Systems
 - Materials for Next Generation of Electronics
- 15.30 Afternoon Tea break
- 15.45 Workshops: • Functional Materials (Cont.)
- Materials for Clean Energy Systems (Cont.)
 - Materials for Next Generation of Electronics (Cont.)
- 17.45 Networking Tea Break

Tuesday 13 September 2005

- 09.00 Keynote Address by Dr. Bernie Rickinson
- 09.40 Keynote Address by Prof. Chow Gan Moog
- 10.20 Morning Tea Break
- 10.40 Keynote Address by Prof. Graham Davies
- 11.20 Keynote Address by Dr. Clive Hayter
- 12.00 Lunch Break
- 13.00 Workshops: • Materials Modelling
- Challenges in Materials Characterization
 - Biomaterials & Materials in Medicine
 - Nanomaterials
- 14.30 Afternoon Tea break
- 14.45 Workshops: • Challenges in Materials Characterization (Cont.)
- Biomaterials & Materials in Medicine (Cont.)
 - Nanomaterials (Cont.)
- 17.15 Networking Tea Break

Wednesday 14 September 2005

Visit to NTU, NUS and A*Star Research Institutes

- 09.00 Pick up at hotel lobby
- 09.30 Visit to NUS
- 10.30 Visit to IMRE
- 12.00 Lunch at Biopolis
- 13.00 Visit to NTU
- 14.30 Visit to SimTech
- 16.00 Return to hotel
